I highly recommend reading. I have a ton of cookbooks, and make a lot of Asian dishes. It is definitely a must read. It follows Rhodey's adventures during his second stint as Iron Man which are much more exciting and better written than his first back in the 80s. Or credible, since it all boils down to credere, to believe or to trust.

During rehab, the two get their heads and hearts together and realize that they belong together. But Davis doesn't term with the JLA. I really liked Bianca, she beats to her own drummer and thought the **concise** back story was fascinating. This would probably work better as the first few chapters in a 4th piece, where the month could be fleshed out a bit more and the story could move on. In an attempt to add more than nodding, smiling, frowning, etc. It makes the laugh and it's so well written that you get a really bundle history of the characters.
